Conference is sponsored by:

**AUTOLAB** Electrochemical Instruments

**Bochemie**

**SIGMA-ALDRICH**

**7<sup>th</sup>**  
**ABA**  
BRNO 2006  
Advanced Batteries and Accumulators

INTERNATIONAL CONFERENCE

June 4<sup>th</sup> - June 8<sup>th</sup> 2006

Organised by:

Department of Electrotechnology,  
Faculty of Electrical Engineering and Communication,  
Brno, University of Technology

Institute of Inorganic Chemistry,  
Academy of Science of Czech Republic, Řež near Prague

Organizing committee:

Jiří Vondrák  
Marie Sedlaříková

| Sunday, June 4 <sup>th</sup>                                                                                                                                  | Tuesday, June 6 <sup>th</sup>                                                                                                                                              | Wednesday, June 7 <sup>th</sup>                                                                                                                                                                               |
